

RURAL HEALTHCARE INSURANCE SOLUTIONS

WHA insurance products

You work hard to make sure you are providing the best benefits to your employees. However, with so many choices, how do you select a company that meets the needs of your organization's employees?

To help members, Western Healthcare Alliance (WHA) partners with Lockton, the world's largest independent, privately-owned insurance broker. They create specific programs to cater to the unique needs of rural healthcare and offer an array of employee benefit programs and services that are tailored to your organization's needs.

How Lockton partners with you

Lockton representatives take time to understand individual goals in order to deliver customized insurance solutions. They work in collaboration with your human resources team to optimize your employee benefits program. The same Lockton staff that designs, negotiates, and implements your insurance plan is also responsible for responding to your customer service needs.

For WHA members, Lockton will:

- ▶ Evaluate and analyze current insurance program.
- ▶ Recommend insurance program designed to minimize hospital's cost yet maximize protection.
- ▶ Provide claims and loss analysis.
- ▶ Broker and negotiate insurance coverages.
- ▶ Provide loss control recommendations.
- ▶ Support clinical risk management.
