

Peer2Peer

CONNECTION

Welcome to WHA's Peer to Peer Connection (P2P) program. P2P is a mentorship program for leaders within their professional fields. We have many experienced and knowledgeable leaders that can assist up-and-coming leaders within our WHA membership.

WHA members have been supporting each other for over 30 years and are some of the most innovative and resilient people in healthcare. This program allows members to share their expertise and wisdom with those wanting to advance without paying huge sums of money.

P2P is a six-month commitment for the mentor and mentee.

The mentee will be matched with a mentor in their field.

Each month the mentor and mentee will meet for 30 minutes.
