

Supporting Rural  
& Remote Areas

## Rural Medical Provider Staffing

Western Healthcare Alliance (WHA) recently partnered with Wilderness Medical Staffing (WMS) to bring rural-focused locum tenens and permanent healthcare physicians, physician assistants, and nurse practitioners to members.

Many rural healthcare facilities struggle to find good medical providers. At WMS, they use their unique network of medical providers to find the right person for the job, so you can stop worrying about staffing issues and have more time to focus on your mission.

## Why work with Wilderness Medical Staffing?

### Experience

WMS's internal team is made up of highly experienced professionals who have worked in the medical and staffing industries for over 200 combined years, each with a passion for rural health. They use their experience to help create solutions for your unique situation.

### Expanse

Whether you need a clinic provider or an experienced solo emergency provider, WMS is ready to help you succeed. They excel at supporting a wide variety of clients and actively work with over 200 hospitals and clinics.

### Expertise

Highly screened for experience, culture, and adaptability to austere conditions, WMS healthcare providers come from all over the US with a passion for providing meaningful medicine to deserving rural and remote communities.
