Community Hospital Hires New Chief Financial Officer

Mesa County, CO - Community Hospital is pleased to announce Glenn Williams, MBA as the new Chief Financial Officer. Glenn is a seasoned healthcare finance and operations executive with more than 23 years of experience in military and corporate leadership. Before joining Community Hospital, he served as an Executive Healthcare Consultant at Deloitte, where he leveraged his expertise in revenue cycle operations and process optimization to significantly improve his clients' financial health.

Glenn's prior experience includes roles as Chief Financial Officer of Blanchfield Army Community Hospital in Kentucky, Assistant Chief Financial Officer at San Antonio Military Medical Center in Texas, Chief Operating Officer of Desmond Doss Health Clinic in Hawaii, and Director of Healthcare Operations for clinics in both Hawaii and Iraq.

Glenn earned his MBA with a focus in Data Analytics from Florida State University and is an active member of the American College of Healthcare Executives. He is passionate about driving process improvements and influencing operations through a data-driven and financial perspective.

"I am confident that Glenn brings the right leadership skills and background to help us successfully navigate the ongoing financial and revenue cycle challenges that lie ahead of us," said Chris Thomas, President and CEO for Community Hospital. "His level of expertise will prove invaluable as we work to move our organization forward," added Thomas.

Community Hospital has experienced exponential growth over the past decade, moving to a new state-of-the-art hospital in March 2016, earning Level III Trauma Center designation by the Trauma Division of the Colorado Department of Public Health and Environment (CDPHE), expanding primary care services to six locations spanning across the Grand Valley from Fruita to Palisade and additional service lines including spine and pain, a cardiovascular procedure center, a new medical office building, robotic-assisted surgical technology and much more.

"I am truly excited to join Community Hospital at such a pivotal time, when healthcare and community commitment are more important than ever. I look forward to working alongside an outstanding team dedicated to delivering exceptional care and support for the patients and families who rely on us," said Glenn Williams. "Together, we will build upon the hospital's strong foundation to drive sustainable growth, innovation and continued success for the community we proudly serve," added Williams.
